

Study of the Words "Save", "Salvation", "Savior" and Derivatives in the New Testament ("NT")

- NOTES:** 1. This table is based on a search from Logos Bible Software ("Logos"). The term "lemma" means the basic form of a word as found in a Greek lexicon.
 2. The source text of the NASB was searched for the Greek lemmas σώζω, σωτηρία and σωτήρ predominately translated save, salvation and savior respectively.
 3. Also included are relevant search results for the Greek lemmas διασώζω, θησαυρίζω and σωτήριος which are sometimes translated save or salvation.
 4. The search results provide corresponding NASB verses, Greek lemmas and English key words. The results are 186 instances of key words in 177 NASB verses. These numbers may vary in other translations.
 5. When the English translation varies from the prevalent meaning of the terms, one must decide if it is an accurate translation based upon the context and the term's typical meaning.
 6. The English key words are in bold, italic & underlined and followed by the Greek lemma shown in bold brackets. Only partial verses are shown to reduce the length of the table.
 7. The questions in the column headings should be answered based upon the context in which the words are found.
